Greetings, PNW Circle K'ers!

For those of you who do not know who I am, my name is Rachelle Strawther, and I am your 2003-2004 District Governor! I will be sending out a brief newsletter during the months that the POST, our official district bulletin, does not appear. Please feel free to call or email me anytime if you have a question or concern. Thank you, and keep up the Circle K spirit!

District Highlights

District Website: Thanks to the hard work of our Technology Chair, Oliver Chung, the new and improved website is underway. If you check it out now, you will find the names of the District Board members and the newly-appointed Committee Chairs! Visit www.pnwcirclek.org.

District Service Project: This year, our district service theme is *The Environment: Priceless*, promoting environmental education and awareness. Your District Project Chair, Leigh-Anne Baller, is creating a booklet to help clubs implement this theme. Start now during this beautiful spring by coordinating park and highway clean-ups!

A New Club: Congratulations to the newest addition to PNW – Seattle University! To celebrate their charter, they will be holding a banquet on May 27th. For more information, please contact Snoqualmie Lt. Governor Mei Mei Fong at mnm914@u.washington.edu.
