

NEVER leave children alone in or around vehicles...Not even for a minute!

Many caring and responsible parents have left their children alone in a car, not realizing the risks involved. Some parents think it is okay to leave a child alone in a car while they run into a store, quickly drop off dry cleaning or while dropping off another child at school. Results of leaving a child alone in or around a vehicle can be deadly.

- ! The temperature inside a car can reach deadly levels in minutes.
- ! Children can set the vehicle in motion.
- ! Drivers have difficulty seeing small children when they back up.
- ! The child may leave the vehicle to go look for you.
- ! Your child can be abducted.

REMEMBER...

- _ A car is not a toy....
- _ A car is not a playground...

AND

- # A car is certainly not a babysitter.

SAFETY TIPS

- < Children should never be left alone in a vehicle, not even to run a quick errand.
- < Keep vehicles locked at all times, even in the garage or driveway.
- < Keys should never be left within reach of children.
- < Teach your children to never play in or around a vehicle.
- < Consider installing cross-view mirrors and/or a backup detection device on your vehicle.
- < Always make sure that all child passengers have left the car after it is parked,
- < If a child is locked inside a car, get them out as quickly as possible. If they are very hot or seem sick, call 911 or your local emergency number immediately.
- < When a child is missing, check vehicles and car trunks right away.
