## *“The Rusty”*

The PNW Kiwanis Foundation is honored to bring you “The Rusty Award” in tribute to the memory of the late Dr. Joan B. “Rusty” Clutts. This award will be presented to recipients who donate a gift of \$1000 to the Joan B. Clutts PNW Foundation Scholarship Fund named in her honor.

The award features a hand crafted antique gold colored medallion with an image of Joan B. Clutts in the center and is presented on a PNW red collar-length ribbon and comes complete with a ruby red gemstone. Recipients also receive a matching lapel pin and a beautiful shadow boxed numbered medallion.

Your gift through the PNW Kiwanis Foundation is a real tribute to one of the most giving and caring ladies in the history of Kiwanis International and the PNW District where Joan achieved the Diamond Thirty level Hixon Fellow status. Dr. Joan B. Clutts was an educator at the highest level and was dedicated to helping the children of the world through her thoughts, words and deeds.

Your contribution to the Joan B. Clutts Scholarship Fund will pay tribute to her memory while helping children with their higher education. Thank you for supporting your PNW Kiwanis Foundation. You're welcome to place an order direct as an individual or as a club project.
