

THE PNW DISTRICT S.O.S. PROGRAM

In 2008-2009 our PNW District Save Old Spectacles Program was very successful in "Giving the Gift of Sight" to people around the world. Our cumulative total collected to date is over 450,000 pairs of pre-owned eyeglasses. Yes, in just the past 15 years PNW Kiwanis clubs have collected and processed thousands of eyeglasses in suitable condition for professional placement to men, women, and children of great need in third world countries. Our goal of collecting 25,000 this next year is well within our reach.

If your club has played a role in our current program, we salute you for a job well done. If your club would like to get involved with the Save Old Spectacles community service program, we encourage you to download an S.O.S. packet. It comes complete with Printed Ad Copy, Art Work (for creating collection cartons), Shipping Labels, and a Reporting Form for your club to receive recognition for participation in the greatest S.O.S. program in all of Kiwanis International. Go to the PNW District website: www.pnwkiwanis.org, click on Resources, then Service and open the Save Old Spectacles file for all of the current forms.

For more information please contact your S.O.S. Program Director:

Eyeglasses Roundup

Do you have eyeglasses you no longer use? Kiwanis Clubs collect them, the Eyecare Wecare refurbishes them, and then they are distributed to needy people in Third World countries. Please bring your eyeglasses to the information center at the church. They will be put to good use and greatly appreciated.

Gift of Sight

Used eyeglasses are needed for distributing to Third World countries. Place your donated unbroken glasses with case, if possible, in the Kiwanis S.O.S. collection carton in the lobby.

Needed: Used Eyeglasses

Please bring your used, no longer needed eyeglasses to the reception desk. We are collecting them for distribution by Eyecare Wecare to the needy people of Third World countries.

Eyeglasses Needed

Used eyeglasses are needed to be distributed to Third World countries on a need basis. Please bring unwanted glasses to the collection box located at the front desk.

S.O.S. – Save Old Spectacles

Please bring your used, no longer needed, eyeglasses to the S.O.S. collection carton located in the lobby. Glasses must not be broken or missing lenses. Thanks you.

Glasses – Bring ‘Em!

If you wear eyeglasses or contact lenses, you can understand how valuable they are to the many people who also wear them. Imagine now, that you are unable to purchase them because of a lack of money. Would you be able to function in your current occupation or in your daily routine without the aid they bring you? Your old eyeglasses, or those you can collect from people you know, will help many people who are in great need of them. Please bring used glasses to the meeting and help people see.

S.O.S.

Save Old Spectacles collection cartons have been placed for the collection of used eyeglasses by the local Kiwanis club. Glasses must not be broken or missing lenses.

Used Eyeglasses Needed

Please place your old, no longer needed eyeglasses in the S.O.S. collection carton. Your recycled eyeglasses are helping to give sight to thousands worldwide.

You Can Brighten Someone’s Life on the Other Side of the World

The pair of eyeglasses we take for granted in this country is a very precious item in many parts of the world. Eyecare Wecare is an organization which gives used eyeglasses to needy hospitals and health centers worldwide. Every pair is “recycled” for use by someone who urgently needs them but who otherwise must go without. Thousands have already been collected but more are still needed! Bring your used eyeglasses to the collection box in the lobby and brighten someone’s life.
