

**GOVERNORS PROJECT “District Emphasis”  
Pacific Northwest District  
2006-2007**

**YOUNG CHILDREN PRIORITY ONE AND  
SENIORS TOO**

**To encourage our Kiwanis Clubs to focus on new  
service projects for our elderly population.**

This term we are asking to expand our service and enjoy serving the elderly in our communities, as well as our youth. There are thousands of ways to offer Kiwanis “Service with a Smile”, to our seniors.

Project ideas include personal visitation, household fixes, lawn service, oil changes, fire alarm checks, even light bulb replacement. One club decided to pre-pay for heating oil from a local company to make sure there is heat for the homes of the elderly during the winter. I love the party called “Senior Ball” which involves the Key Club. If you let Governor Lori or I know your ideas and I will pass them on to other clubs.

Complete your Official Monthly Report and include the hours your club gives.

The most important portion of the emphasis on elderly is to care, watch for ways you can be helpful.
