

2009/10 GOVERNORS PROJECT "PROJECT K-9" REPORTING SHEET

Any service project that involves dogs can be considered a "Project K-9" Governor's Project, whether it involves helping dogs (e.g. SPCA), using dogs to help others (e.g. assistance dogs/therapy dogs, assisting canine police units), or helping families enjoy their dogs (e.g. charity dog walk, pet fair, or dog bag dispensers in public parks).

For more information and project ideas, please visit the District website at www.pnwkiwanis.org/PNWKIResources/govsproj.html or contact **Pacific Northwest Governor's Project Chair Pamela Smith** at (425) 235-6697 or pslt.gov32@yahoo.com

Please report your project using this form so your club can get credit for participating. Every club that contributes an hour or more of service per member or to donate \$5 or more per member will get a banner patch at District Convention.
