INDIA...

Passion to Action is a Vision of Nakita's to provide children in need with a caring, loving, and secure family environment where basic needs for food, health, shelter, and education are met.

The mission of Jamsher Children's Village is to support orphaned children around the world through with partner agencies and volunteers by providing opportunities to contribute towards the children's education, health living environment and help enable their future.

Jamsher Children's Village is an independent, not for profit non-governmental initiative. Its activities will focus on neglected and abandoned children and orphans. Non-political and non-denominational.

Short Term Objectives

- Build a community of supporters in Canada
- Develop strategic relationships and linkages with partner agencies.

Focusing On

- Obtaining land and now 3.5 acres of land in India has been obtained for the future site of an orphanage.
- Developing a support network that includes discussions with organizations such as *Free The Children* and *Dream Now*.
- Initiated the process of establishing a not for profit non-government agency and supporting governance structure.
- Currently planning a hands-on experience on site at an existing established orphanage in India to learn first hand about the challenges.
