

Friday Night's Family Event: Carnival and Dinner in the Park!

Bring the family for some good old fashioned carnival fun on the patio by the hotel pool! Dunk your Lt. Governor, play other carnival games, and have some cotton candy, with the proceeds donated to the 2009-2010 Governor's Project going to the American Society for the Prevention of Cruelty to Animals (ASPCA) & the British Columbia Society for the Prevention of Cruelty to Animals (BCSPCA).

Then take the short and scenic walk a block west to our wonderful smoked salmon dinner in Riverfront Park. Enjoy your meal while listening to sounds of the Pow Wow in the park. When you are done eating, head back to the hotel to meet the governor candidates, or stroll through the park and soak up a little Native American culture, with stick games, drumming and dancing contests, native crafts, food booths and more. The evening will culminate with a special treat, our own private fireworks show!

Don't miss this exciting and fun evening with your Kiwanis friends!
