

Kiwanis

SHOW YOU CARE!

You care about the children and youth in your community, and so do the members of your local Kiwanis Club. You can help Kiwanis provide services for youth in your community by proudly displaying a decal for all to see.

The men and women of Kiwanis are dedicated to changing the world, **one child** and one community at a time. Each club determines the needs of their community and decides how they can make a difference, such as:

- Providing programs to help keep young children healthy and safe.
- Supporting youth leadership programs that promote volunteerism.
- Supporting Children with disabilities and cancer with camps and research.
- Providing scholarships to help high school students go on to university.
- Supporting youth sports, arts and music, and other after-school programs

Kiwanis members are service-minded men and women united in their compassion and commitment to helping others. Each contributes a few hours of their time each month, raising funds in their community and providing needed services. With about 600,000 adult and youth members around the world, Kiwanis collectively contributes more than six million volunteer hours and invests more than \$100 million annually in projects that strengthen communities and serve children.

You can make a difference in your community by becoming a member of Kiwanis or by purchasing a Kiwanis Decal (\$100) to support children and youth. We appreciate your support in helping us change the world, one child and one community at a time.

**Whether you participate in the Kiwanis Decal Program
or become a member of your local Kiwanis Club,
you can make a difference in the lives of
children and youth in this community.**

Kiwanis Decal Program Features and Benefits

- Knowing that your contribution of \$100 or more will support services for children and youth.
- Association with Kiwanis – both the local club(s) and the global organization.
- Listing of your support in *Builder Magazine*, which provides information on how clubs throughout the Pacific Northwest are making a difference in their communities (magazine circulation: over 10,000).
- Subscription to the Builder Magazine, which you can display at your business.
- Being seen as a person – or a business – that shares with Kiwanis a commitment to the children and youth of your community.

Kiwanis Membership Features and Benefits

- The opportunity to enjoy the fellowship of other caring men and women in your local club and in about 8,000 clubs in 96 countries.
- A sense of satisfaction and self-worth in helping others. Your own problems seem smaller when you focus on someone else's.
- Opportunities to choose from a variety of different community service opportunities, and realistic expectations given competing demands on your time (family, work, and other commitments).
- Access to a network of people across this country and around the world.
- Opportunities to develop your leadership, management, and communications skills.
- Knowing that you are making a difference, and are serving as an example to others.
